## PROJECTS

---

### Mini Yathzee - Tech Stack: React Native | Node.js | Javascript | Sass

Mini Yahtzee is a modern re-creation of the classic dice game, designed for mobile devices. Developed using React Native and Expo, it offers an intuitive interface, smooth animations, and fun replayability.

### Chat App - Tech Stack: React | Typescript | Node.js | Clerk | Convex | Socket.IO

A real-time chat application with live messaging, user presence indicators, and smooth UI interactions. Built with WebSockets for instant communication and structured using modular React components. Designed to be fully responsive with clean, modern styling.

### **Portfolio - Tech Stack: React | Vite.js | CSS | HTML | Framer motion |**

A custom portfolio site showcasing projects, built for speed, responsiveness, and accessibility. Uses CSS Modules for scoped styling and Framer Motion for smooth UI animations. Supports multiple languages with i18n and delivers a dynamic, animated frontend experience.

### **LANGUAGES**

---

**Finnish – Native**  
**English – Fluent**  
**German – A1**  
**Spanish - A1**
